

CHIEF EXECUTIVE OFFICER

Chemical Industries Education and Training Authority

CHIETA is an Equal Opportunity Employer; therefore, the filling of the position will be in line with its Employment Equity Plan. Suitable candidates recommended for appointment will be expected to undergo a competency assessment. All short-listed candidates will be subjected to security vetting. The successful applicant will also be required to disclose their financial interest.

Human Touch an executive recruitment agency appointed by CHIETA will be handling responses to this advertisement. Interested, qualified individuals can send their concise CVs, with relevant qualification, in confidence to chieta@human-touch.co.za ONLY

Closing date: 22 June 2018

CHIETA intends to appoint a Chief Executive Officer (CEO) on a fixed-term contract from 1 October 2018 to 31 March 2020 (renewal not precluded) in accordance with the SETA licence period as approved by the Minister of Higher Education and Training. This position is to be located at its Head Office, in Richmond, JHB (Gauteng). Remuneration will be negotiable within the salary band equivalent to that of a Director-General in the Public Service as per Clause 7 of the regulations for conditions of service and appointment of the CEO of a SETA.

Key job purpose: Reporting to the Chairperson of the Accounting Authority (Governing Board), the CEO will be accountable for all aspects of CHIETA's corporate management, core business delivery, financial management and reporting. The CEO must be able to lead a current successful organisation within a sound corporate governance environment.

Qualifications and experience: • Appropriate postgraduate qualification in Corporate and/or Business Management, Humanities, Law or Finance • Minimum of 10 years' experience in a training and education environment • Minimum of 7 years in a senior leadership/management position directing senior professionals • Strategic leadership with the ability to manage complex problems with a solution-driven mind set • Relevant experience within the Chemical Industry and SETA environment would be advantageous • Knowledge of key pieces of legislation, namely Skills Development Legislation, PFMA and Labour Legislation • Understanding of the South African Skills Development Landscape and also specifically Government's policies and strategies on Skills Development • Understanding of Enterprise-wide Risk Management • Excellent communication and analytical skills • Good interpersonal skills and ability to harness diverse teams into sustained and productive units • Business acumen.
