### Quote of the issue:

“I have seen many storms in my life. Most storms have caught me by surprise, so I had to learn very quickly to look further and understand that I am not capable of controlling the weather, to exercise the art of patience and to respect the fury of nature.”

Paulo Coelho

**Catastrophic fuel price increase will financially cripple South Africa's workers:**

The latest fuel price increases as announced by the Department of Energy this morning is the final straw crippling South Africa's workers. As from Wednesday workers will not only fork out for the most expensive fuel price ever (R17,08 in Gauteng) but will also have to deal with the ripple effect on the cost of transport.
