UASA Study Grant application season is now closed. We congratulate all successful applicants.

UASA would like to thank all applicants who applied for the 2024 Study Grant season. We are pleased to announce that our Study Grant season attracted a high volume of applicants.

Study Grants amounting to R120 000 have been awarded to successful applicants. The successful applicants have been notified.

We extend our warmest congratulations to the successful applicants and invite those who were unsuccessful to re-apply in 2025. Your dedication and potential is highly valued.

UASA Study Grant application season will again open in January 2025 and close in March 2025.
