UASA honours Women's Month at the Cradle of Hope in Krugersdorp

In celebration of Women's Month, the women of UASA took a heartwarming initiative by visiting The Cradle of Hope in Krugersdorp to donate essential items and volunteer their time to support women and children.

As Women's Month draws to a close, UASA encourages others to find ways to contribute to their communities and to stand in solidarity with women who are striving to overcome adversity. The visit to The Cradle of Hope is a reminder that when women come together to support each other, they can create lasting change.

UASA is a registered trade union with the Department of Employment and Labour. We are the UASA 505 and a Black & Economic Empowerment (BEE) Level 1B company.

UASA Women's Day Celebration Highlights Resilience, Advocacy, and Health

Ahead of Women's Day, UASA hosted a session highlighting the strength and resilience of women in the workplace and society, featuring a keynote address by the General Secretary of FEDUSA, Rudeah Ajayi, and a segment by Petra Nortje from CANSA.

Rudeah emphasized resilience and advocacy for gender equality in the workplace, showcasing women's role in economic and social progress. Petra discussed women's health issues and societal stereotypes, stressing the importance of early detection and prevention.

The session concluded with a call to action for society support and advocacy, encouraging participants to foster environments where women can thrive both professionally and personally.

UASA wishes all women a Happy Women's Day.
