Vaal Central Water Sector Branch Meeting held at Head Office

Vaal Central Water Sector Branch Meeting.
The UASA team recently held a sector meeting for the Vaal Central Branch at UASA Head Office.

The meeting was led by Sector Chairperson Kabele Moseu and Sector NEC member Steyn Fourie. The main focus of the meeting was to address member challenges, disputes in progress and forward-looking strategies to ensure stronger outcomes for members.

By engaging directly with shop stewards, UASA continues to strengthen its role as a trusted sector partner to members, always anticipating change and positioning itself to effectively protect and promote member interests.

We thank the shop stewards and UASA members who work hard to address sector challenges efficiently and create solutions that support our members' growth and progression in the workplace.

Workers hold South Africa Together.

Your Passion, Protected! Caring and Protecting since 1894!

You wore the Protea with pride. Thank you for inspiring a nation.

You wore the Protea with pride.
You may have fallen short of the World Cup dream, but you played with heart, courage, and pride. South Africa stands with you.
Thank you for inspiring a nation.

UASA is a registered Trade Union with the Department of Labour and Labour Relations, No. 14 26537496, under a FICBAA and International Labour Union Affiliation.

Well Done Bafana Bafana. The Nation is proud of you.
